Semi-Annual Freecycle Roundup Scheduled

For City of Frederick Residents Only: Households May Drop Items for Free

FREDERICK, MD – March 20, 2019: The next Freecycle Roundup serving The City of Frederick to dispose of or recycle bulk items will be Saturday, April 20.

The Freecycle Roundup, where residents may drop off bulk items and reusable goods, will operate 8 a.m.-2 p.m, at the Public Works facility, 111 Airport Drive East.

Notes about Freecycle Roundup:

1. For Frederick City residents only; they will need to bring identification that is proof of residency
2. Bulk items only; no bags of trash
3. Document shredding will be available (for non-business, City residents only)
4. What can be dropped off
 - furniture, appliances – if all refrigerants are removed
 - box springs and mattresses – no more than three of each per household, must sign affidavit
 - exercise equipment
 - grills with fuel tanks removed
 - large televisions

The city organizes the Freecycle Roundup semiannually to residents so they can dispose of bulk items, and reusable items can be removed from the waste stream.

“This is an important feature of our sustainability initiatives, as we try to reduce the amount of trash and waste that goes into landfills unnecessarily,” said Mayor Michael O’Connor. “I appreciate how committed our community is to making a difference in the environment, and we will continue to offer Freecycle Roundup as one more conservation tool in our toolbox.”
