Televised Meetings to Move to Annex While Channel 99 Control Room Is Renovated

FREDERICK, MD – June 4, 2019: Work that began June 3 to modernize the City of Frederick boardroom and equipment requires closing the City Hall boardroom to meetings throughout June.

The construction is scheduled to be complete by July 4. During construction, any public meetings that the City typically has in the boardroom will move to the Municipal Annex, 140 W. Patrick St.

During this time, public meetings that normally would be televised will be carried live on Channel 99 and streamed on the City [website](http://www.cityoffrederick.com), (<http://www.cityoffrederick.com>, under the Meeting Center dropdown.)

“The new equipment will improve the public meeting experience in the boardroom,” said Mayor Michael O’Connor. “Completing this upgrade addresses some of our communications strategic plans.”

Lead Audio Visual Producer Lance Duvall, who is in charge of Channel 99 Productions in the Communications Department, said, “This upgrade helps achieve our department’s goals to improve information flow and civic engagement opportunities.”
