

Coffee with a Cop provides an opportunity for our community members to interact with our officers, build relationships, and learn more about policing and the Frederick Police Department in a casual relaxed setting.

*Coffee with a Cop* is a national initiative supported by The United States Department of Justice, Office of Community Oriented Policing Services. Similar events are being held across the county, as local police departments strive to make lasting connections with the communities they serve.

For more information with the Coffee with a Cop program please contact Michele Bowman, Public Information / Community Outreach Coordinator at 301-600-2091.
