## Rules/Regs and Suggestions

1. Paint/material guidelines: The **required paint material for this project is 100% acrylic (latex) semi-gloss exterior paint. OIL BASED PAINTS ARE PROHIBITED.** Rollers, large paintbrushes and paint trays are also some suggestions for supplies. **MATERIALS WILL NOT BE PROVIDED.** Priming your space first is highly recommended as the concrete is absorbant.
2. The Carroll Creek Community Art Project is a community event and a celebration of Frederick. As such, only family-friendly, community-appropriate artwork will be permitted in the painting of each area. **NO POLITICAL STATEMENTS PLEASE.** Art content is subject to the discretion of the project team. Any material deemed inappropriate (i.e. Foul language, derogatory language/symbols, political statements, pornographic images, etc) will be removed from the concrete.
3. No alcohol and no glass beverage containers permitted.
4. **Participants are responsible for the appropriate use and disposal of all paint and supplies.** Unused paint is considered HAZARDOUS waste. Proper disposal includes allowing the paint to dry inside the can before it is thrown away, or spreading unused paint on paper and allowing it to dry. **Take all materials, supplies and trash with you when you leave!** Please make sure that your paint stays within your assigned area, does not leak or get dumped into the creek.
5. Company, organizational and political content are allowed in the designated space. However, such information may only take up 25% or less of your designated area. The remainder must be artistically oriented. Please consider ways to creatively weave your logo or organization's name INTO your artwork
6. **There is very little shade in Carroll Creek Park.** Keeping this in mind, we recommend bringing sunscreen, bottled water and umbrellas for temporary shade.
7. Please be respectful of other participant's areas. Do not paint in other's areas, and do not walk through other's areas – use designated walkways.
