Dear Mr. Halm,

Enclosed are the corrections to the City of Frederick Consolidated Plan and Action Plan, per your email dated June 17, 2005. Regarding the Consolidated Plan text, Instead of giving you individual pages and asking you to insert them where appropriate, we decided to reprint the Con Plan

Consolidated Plan

1. Attached is a mail merge list showing persons who were contacted at the beginning of our Plan effort, showing State of Maryland contacts. Also, a copy of the Consolidated Plan will be sent to John M. Greiner at the Maryland DHCD.
2. The definitions have been clarified.
3. The completed Table 2B is included as page 38.
4. The completed Table 1B is included.
5. Homeless Needs and Goals Chart has been completed with 5-year goals, please replace old chart in Appendix 8 with this one.
6. The City of Frederick Department of Planning and Community Development does not plan to undertake any activities in the next five years that will encourage public housing residents become more involved in management. Apart from purchasing privately owned sites to assemble as part of the North Market Street Hope VI project, the Planning and Community Development Department does not plan to address the needs of public housing as such.

Action Plan

1. This has been corrected by amending the amounts in the "Tool" project description charts, and an amendment to the 2004 Action Plan. We will print out all Action Plan projects again . Project 13 has been moved to project 10.
2. Corrected. Only first page provided.

If you have any questions, please feel free to call me at 301-694-1831, or email pschulz@cityoffrederick.com.
