

## Table of Contents

### Chapter 1. Introduction

- a. Background
- b. Conformance with Local, State, and Federal Codes
- c. Conflict between Guidelines and Codes
- d. *HPC Rules of Procedure*
- e. Historic District Overlay Zone
- f. Other Permits and Approvals
- g. International Building Code and International Residential Code
- h. Rehabilitation
- i. Basis of the *Frederick Town Historic District Design Guidelines*
- j. *Secretary of the Interior's Standards for Rehabilitation*
- k. General Parameters for Reviewing Changes in the Frederick Town Historic District
- l. Work that is Reviewed by the Historic Preservation Commission
- m. Work that is Not Reviewed by the Historic Preservation Commission
- n. Review of All Façades
- o. Required Considerations for Reviewing Applications
- p. Degree of Importance
- q. Judgment of Plans
- r. Period of Significance
- s. Deviation from the Guidelines
- t. Required Findings for Deviation from the Guidelines
- u. Permitted Actions by the Historic Preservation Commission
- v. Resubmitting Denied Applications
- w. Deadline to Commence Work and Expiration of Approval
- x. Commission Meeting Schedule
- y. Workshops
- z. Hearings

### Chapter 2. The Cultural Context of the Frederick Town Historic District

- a. Historical Overview of Frederick
- b. Physical Development of Frederick Town
- c. Historic Landscapes in the Historic District
- d. References for Sections a-c
- e. Common Frederick Architectural Styles

### Chapter 3. Archeological Resources

- a. Background
- b. The Information Potential of Archeological Sites
- c. Types of Archeological Sites in the Historic District
- d. Types of Artifacts
- e. Development Periods and Historic Contexts
- f. Types of Archeological Investigations
- g. References

#### **Chapter 4. Materials for Rehabilitation and their Treatment**

- a. Approved Materials and Treatments
- b. Masonry Materials (Brick, Concrete, Stone, and Stucco)
- c. Masonry Treatments (Brick, Concrete, Stone, and Stucco)
- d. Wood Materials
- e. Wood Treatments
- f. Metal Materials
- g. Metal Treatments
- h. Glass Materials
- i. Glass Treatments
- j. Plaster Materials
- k. Plaster Treatments
- l. Terra Cotta Materials
- m. Terra Cotta Treatments
- n. Roofing Materials
- o. Roofing Treatments (see Chapter 5, l)
- p. Paving Materials
- q. Paving Treatments (see Chapter 8,i)
- r. Other Materials
- s. Treatments of Other Materials
- t. Materials that are not Approved

#### **Chapter 5. Guidelines for Rehabilitating Various Building Elements**

- a. Parameters of this Chapter
- b. Treatment Guidelines for Walls
- c. Treatment Guidelines for Parapets
- d. Treatment Guidelines for Windows
- e. Treatment Guidelines for Shutters
- f. Treatment Guidelines for Entrances
- g. Treatment Guidelines for Exterior Doors
- h. Treatment Guidelines for Storm Doors
- i. Treatment Guidelines for Screen Doors
- j. Treatment Guidelines for Transoms and Sidelights
- k. Treatment Guidelines for Porches and Door Stoops
- l. Treatment Guidelines for Roofs
- m. Treatment Guidelines for Dormers
- n. Treatment Guidelines for Monitor Roofs
- o. Treatment Guidelines for Skylights and Light Tunnels
- p. Treatment Guidelines for Chimneys
- q. Treatment Guidelines for Cornices
- r. Treatment Guidelines for Gutters and Downspouts
- s. Treatment Guidelines for Awnings

## **Chapter 6. Guidelines for Special Building Types**

- a. Introduction
- b. Commercial Buildings
- c. Industrial Buildings
- d. Service Buildings
- e. Places of Worship
- f. Educational Institutions
- g. Residential Garages
- h. Utilitarian Buildings and Structures
- i. Sheds and Other Ancillary Residential Structures
- j. Barns and Carriage Houses
- k. Parking Decks or Parking Garages
- l. Other Special Building Types

## **Chapter 7. Guidelines for Building Accessories and Signs**

- a. Definition
- b. Automated Teller Machines (ATMs)
- c. Night Depositories
- d. Satellite Antennas and Dishes
- e. Utility Boxes and Meters
- f. Vending Machines
- g. Literature Racks
- h. Accessories to Improve Access for the Disabled
- i. Exterior Lighting
- j. Mechanical Equipment
- k. Signs
- l. Awnings (see Chapter 5,s)
- m. Energy Conserving Features
- n. Miscellaneous Wall Features

## **Chapter 8. Guidelines for Landscapes and Streetscapes**

- a. Definitions
- b. Landscape and Streetscape Features the HPC Reviews
- c. Landscape and Streetscape Features the HPC Does Not Review
- d. Prohibited Landscape and Streetscape Construction
- e. Rehabilitation Treatments for Landscapes and Streetscapes
- f. Plantings and Tree Removals
- g. Fences and Walls
- h. Alley Gates
- i. Paving
- j. Garden Structures
- k. Hot Tubs, Swimming Pools, and Other Water Features
- l. Street Furniture
- m. Street Lights
- n. Street Signage
- o. Public Art

## **Chapter 9. Guidelines for Rehabilitation: Additions**

- a. Definition
- b. Typical Additions
- c. Preserve Historical Integrity and Features
- d. Affect on Historic Walls and Openings
- e. Permitted Additions
- f. Additions that are not Permitted
- g. Design
- h. Scale and Massing
- i. Preservation of Setting
- j. Materials
- k. Doors and Windows
- l. Roof Forms
- m. Porch Infill

## **Chapter 10. Guidelines for New Construction**

- a. Definition
- b. Introduction
- c. Reviewing New Construction
- d. Design
- e. Building Form and Preliminary Site Plan
- f. Final Site Plan Approval, Archeology Review, Planning Staff Approval
- g. Materials, Elevations, Openings, Articulation, Final Site Plan, Landscape Plan, and Lighting Plan

## **Chapter 11. Demolition**

- a. Definition
- b. Demolition is Discouraged
- c. Demolition by Neglect
- d. Alternatives to Demolition
- e. Moving Historic Buildings
- f. Proposed Work That Requires a Demolition Application
- g. Proposed Work That Does Not Require a Demolition Application
- h. Required Considerations at Demolition Hearings
- i. The Degree of Importance Influences Demolition Decisions
- j. Financial Hardship
- k. Documentation Requirements

## **Appendix**

1. Suggested Readings
2. Glossary
3. Preservation Briefs
