TRAFFIC ADVISORY

New Traffic Signal at Butterfly Lane/McCain Drive

FREDERICK, MD – May 9, 2018: May 10, a new traffic signal at the Butterfly Lane/McCain Drive intersection will begin operation in flashing mode.

The signal is at the intersection of Butterfly Lane, McCain Drive/Contender Way, next to the new Butterfly Ridge Elementary School that is under construction. Contender Way is a new roadway that will provide primary access to the new school.

Beginning on May 10, the new signal will be turned on to flash mode. Butterfly Lane signals will flash yellow, and McCain Drive/Contender Way signals will flash red. This temporary condition is to give the motoring public a chance to adjust to the new traffic signal.

On May 15, the new signal will go into full operation. Motorists are urged to remain alert.

For additional information contact: Donnie Lawson, City traffic engineer technician at 301-600-3885 or dlawson@cityoffrederick.com.
