NEWS RELEASE

Unique Clustered Spires High Wheel Race Returns

Race Will Require Temporary Road Closures Aug. 11

FREDERICK, MD – July 2, 2018: The National Clustered Spires High Wheel Race, the only high-wheel bicycle race of its kind in the country, will return to The City of Frederick on Aug. 11.

Racers will spin through historic streets on their Penny Farthing pedal-powered vehicles in The National Clustered Spires High Wheel Race.

The race is supported by the City and presented by Brewer's Alley and Frederick County. The National Clustered Spires race website, <http://www.highwheelrace.com/>, has further details.

This event is part of a long cycling weekend in the City and County, called Tour de Frederick, <https://www.tourdefrederick.com>, that benefits the Boys and Girls Club of Frederick County and the Rotary Club of Carroll Creek.

The City of Frederick would like to make residents, businesses and visitors aware that during the High Wheel race, several downtown streets will be closed to all traffic, from approximately 1 to 5 p.m. Saturday, Aug. 11, as shown on a [map](#) on the city website, www.cityoffrederick.com. No Parking signs will also be posted on the designated streets.
