## NEWS RELEASE

# City, State Road Closures Visible on MDOT Site Visitors Can Get Details of All City Road Closures

**FREDERICK, MD – July 25, 2018:** To better inform citizens about existing and planned road closures, The City of Frederick is now posting those details on the [Maryland Department of Transportation road closure map](#).

There, users see a bigger picture of regional road closures. Previously, the City maintained its own map, which included only City information. The MDOT interactive map, similar to what was previously housed on the City website, enables users to click on a scheduled or ongoing closure for details: <https://tinyurl.com/y7k3g2nc>.
