TRAFFIC ADVISORY

Monocacy Boulevard Update

FREDERICK, MD – May 22, 2019: The project to realign and widen Monocacy Boulevard has been delayed by exceptionally wet weather.

Construction work continues to: construct a bridge over the Monocacy River, rehabilitate an existing bridge, and install four new lanes for through traffic. The reopening of Monocacy Boulevard between Gas House Pike and Schifferstadt Boulevard/East Church Street is now estimated to occur in late summer of 2019.

The City appreciates the public's patience and is aware of the inconvenience this has created since the road closed in fall of 2017. This major transportation project has been planned for a decade to improve traffic flow from the southeast to northeast areas of the City, providing alternates to northbound U.S. 15.

The [Monocacy Boulevard Project page](#) on the City website contains the latest information and progress reports on the project.

For additional information, please contact Tracy Coleman, tcoleman@cityoffrederick.com, 301-600-1498.
