NEWS RELEASE

Hillcrest Getting New Multipurpose Play Area

Tennis Court to Be Transformed

FREDERICK, MD – May 8, 2017: Starting May 9, the tennis court in Hillcrest Park will undergo reconstruction work to become a multipurpose play surface.

American Tennis Courts will be renovating the court, and it will be converted to a multi-use surface for children, no longer including tennis play. The new surface will include a small perimeter track for running and biking, and the center will be suitable for multi-purpose games, such as four-square and hopscotch.

No other areas of the park will be affected, but the court will be off limits during construction. With curing time for new pavement, and painting, the work is expected to last four to six weeks total, according the Department of Parks and Recreation.
